Title: Quality Control Person

Location: Tring, Hertfordshire

Department: Quality Control

Job description:

We require a full time person to work in the Quality Control department at our Tring site. This is a fantastic opportunity for the right candidate to secure regular hours in a permanent position. The ideal candidate will be hard working, reliable, proactive and keen to interact within a team. The Quality Control department is a supportive environment. It is modern, well equipped with documented methods and robust training systems. The ability to maintain accurate work records, particularly with numbers is essential for the role.

Also, the ability to accurately follow written and verbal instructions is important. However, previous experience of working within a quality control environment is not essential. The team is made up of skilled staff with specialist knowledge allowing them to provide detailed training in all aspects of relevant quality control work. All training will be provided.

Hours 8:00am–5:00pm with the possibility of Saturday or Sunday mornings on a rota system. (Other times may be required at certain periods.)

Role requirements:

- Testing of all incoming wheat to ensure it meets current specification.
- Testing of production/packing samples to ensure they meet specification.
- Collecting of samples.
- Inputting sample details and results onto a data system.
- Preparing and generating customer quality certificates.
- Reporting any values that do not meet current specification.
- Calibrating of the equipment.
- Preparing of solutions.

To be considered for this role, apply using an application form available from reception or provide a CV and letter of application available at www.heygates.co.uk
