WHEAT SILO COMPLEX OPERATIVE

The Heygate Group of Companies is a privately owned and family led Group, with substantial interests in Flour Milling, Baking and Agriculture.

Required for our busy Grain Silos at Bugbrooke Mills, the role will involve:

- the operation of the Silos.
- Receiving vehicles arriving on site, checking relevant documentation against the information on the loading sheets and directing vehicles for Bulk or Warehouse loading.
- Loading the relevant vehicles safely and within the time constraints given.
- Liaising with appropriate departments as required.
- Being aware and willing to help out with cleaning and all safety procedures on site.

Some Silo experience would be an advantage but not essential, the successful applicant would ideally have a Counterbalance forklift licence, an HGV licence would also be an advantage.

Up to £40,000.00 per year. Full time 37 ½ hours plus overtime and weekends.

Contributory Pension Scheme, life assurance, cycle2work, employee benefits scheme, free onsite parking, generous holiday allowance

Own transport essential for anyone living outside the Bugbrooke area.
